Farewell to you and the youth I have spent with you.
It was but yesterday we met in a dream.
You have sung to me in my aloneness, and I of your longings have built a tower in the sky.
But now our sleep has fled and our dream is over, and it is no longer dawn.
The noontide is upon us and our half waking has turned to fuller day, and we must part.
If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song.
And if our hands should meet in another dream we shall build another tower in the sky.

The jayvee soccer team had a successful first season. Lead by center forward and leading scorer Alex Zasimovich and center halfback John Kleinman, the soccer squad achieved a notable 4-7 record in its first season of competition as Coach Nyitrai taught skills and molded a team to play varsity ball in the Middlesex County Soccer League next year.

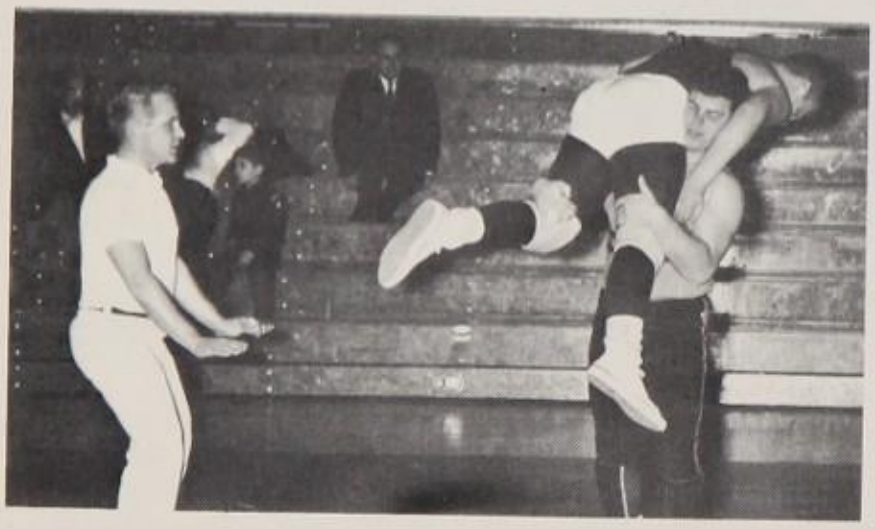
# Cross Country

The sports campaign for the cross-country squad proved productive for coach Warner and the Viking harriers.

Despite many injuries to key players which seriously hampered their chances of success, the harriers worked their way to a 4-9-1 record behind the strong running of Brian Young and John Kimple.

Among their achievements was the oddity of a tie meet, a 21 all deadlock with their Pennington counterparts. The numerous injuries restricted Coach Warner to a building year, and the improvement of the jayvee runners points to a successful season in the future.

# Wrestling

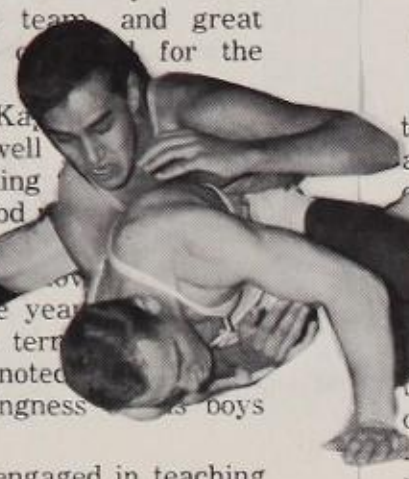


The matmen of S.B.H.S. have made an impression on the school which shall not be broken for years to come. This, the grapplers second year of varsity competition, has shown the fruits of Coach Nyitrai's labor. The boys have finished their season with a fine 7-5 record. Although eight members of the Varsity are graduating, there are great hopes for the future of the team's success.

# J. V. Wrestlers Show Promise

Behind every good Varsity team is a Junior Varsity team, and great expectations are on hand for the J. V. grapplers.

Under Coach Kappes things are certainly going well for the junior grapplers. According to Mr. Kappes, he has a lot of good material to work with. Thirty-two boys have turned out. About half are novices and half have one year experience. Mr. Kappes has termed the progress "fine" and noted the enthusiasm and the willingness of his boys to work.



Mr. Kappes is engaged in teaching the Junior Varsity grunters the fine art of high school wrestling. This involves learning the basic holds and "counter-holds" used by most high school teams. Utilizing these fundamentals the wrestlers develop their own style as time goes on.

So far this season the Viking Wrestling Club wrestled two scrimmages. The first took place at Bound Brook on December 1. In the pre-season conditioner South Brunswick grapplers performed only fair against a good Bound Brook squad. On December 4 the Vikings were host to the Edison wrestling team. Both the Varsity and the J. V.'s did ad-

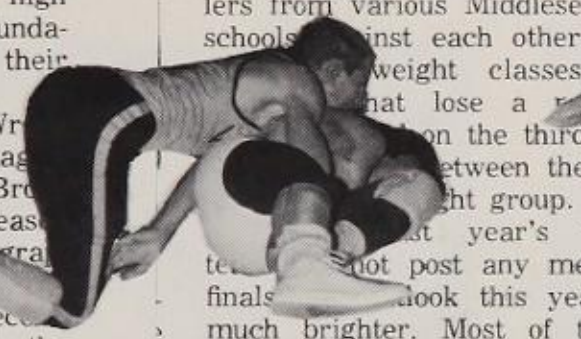
not classified as a meet, the wrestling grapplers' first chance to see action begins with the advent of the Christmas holiday season. During the ensuing vacation, the annual Christmas Wrestling tournament will be held.

The tournament, which was innovated several years ago, pits wrestlers from various Middlesex County schools against each other in the respective weight classes. In this wrestlers that lose a match are eliminated and on the third day the finals are held between the top two men in each weight group.



Although last year's wrestling team did not post any men in the finals, the outlook this year seems much brighter. Most of the same men that wrestled last year for South Brunswick are back this season.

In accordance with Coach Nyitrai's wish that the wrestlers with the two top team captains, Pete Sprague of the team, who competes in the 123 pound weight class, has been unbeaten in the past season and also is regarded as one of the best in the county in his weight group by his opponents. The 1965 basketball season was a tremendously successful one. The 18-5 record is the 3rd best in the county this season. Don Stout, holder of 8 school records, scored 379 points and averaged 17.2 points per game. And set school season and career scoring records.

The team scored 1421 points in 22 regular season games, and averaged 64.6 points per game. As compared with opposition scoring of 55.6.

In total, this campaign is to be considered as one of the best ever put together by a viking varsity. The athletes deserve a great deal of credit for their unfaltering effort.

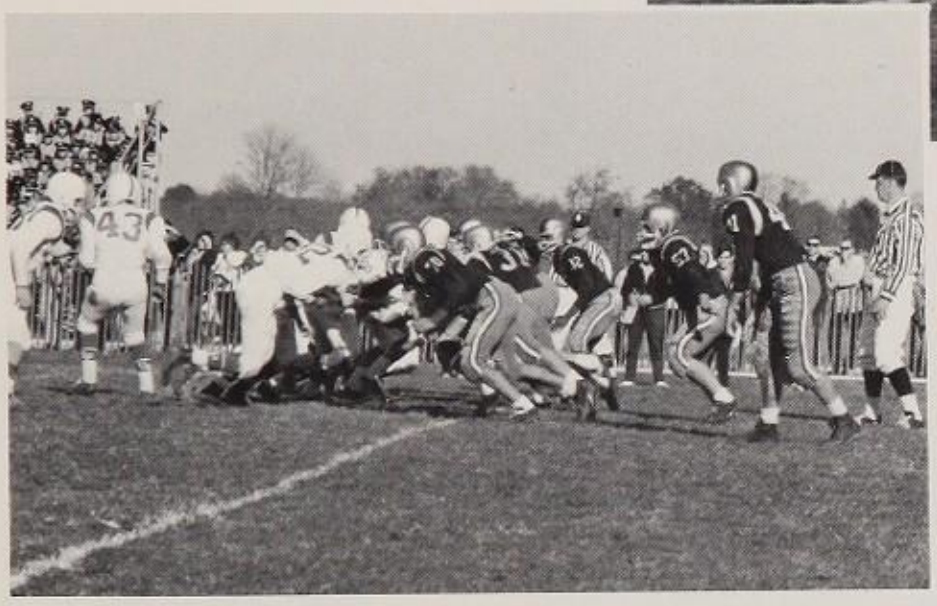
BORDENTOWN

With a 20-0 Victory over the Bordentown Scotties, the Vikings added another win to their campaign, which continued to gain momentum.

DUNELLEN

This, the final game of the 1965 football season, was an easy, one sided victory for South Brunswick with a final score of 41-0.



## BOUND BROOK

The high point of a season of hard, intensive work by the varsity football squad was reached on November 7, when the team defeated the Bound Brook eleven by a 14-13 margin. For many of the boys playing their last season at South Brunswick this was the culmination of a year of trimph.

Completely off balance were the Middlesex Blue Jays, as they faced the Vikings on October 10. Quarterback Boyko continued his aerial heroics, with three touchdown passes, while the running of Allen, Melvin, and reserve fullback Rich Crawford helped lead the Vikings to victory.

The Red Devils from Ridge met with a similar fate on a rainy October 17. Boyko, Allen, and Melvin, in a repeat performance, racked up a 42-18 score.

ST. PETER'S

The Vikings, looking forward to their encounter with Bound Brook, beat St. Peters in an expected victory. The final score was 19-0.

ALLENTOWN

The Vikings showed their strength once again as they smashed Allentown with a hard charging 42-13 Victory.

# Group I Championship

Coach Toto and his dedicated Viking gridders opened the 64-65 season at Franklin on September 26 to gain their first victory in three years over the Warriors by a crushing 33-19 score. Steve Boyko set the pace with four touchdown passes. The running of fullback Oley Allen and the quick thinking of end Don Stout combined with the efforts of a spirited team initiated what was to be a successful season for the valorous vikings.

On October 3 the Vikings suffered their only loss of the season. In the last seven seconds of play Manville made a touchdown winning the rainy day's competition, 18-12.

When you receive your diploma as a graduate of South Brunswick High School, you are successfully completing one important phase of your life and will immediately embark upon a new one. This new phase will have at least one thing in common with the previous one -- the pursuit of success. This quest may take place in a technical school, junior college, college, or in the world of work. In this search for success let us consider a quote from Wilford A. Peterson which states "success is not confined to one part of your personality, but is related to the development of all parts: body, mind, heart and spirit. It is making the most of your total self." In this statement let us note that the words money, power, and position do not appear. This is, in my judgement, because the real things in life, do not relate first to material comforts, but rather to personal health, a clear mind, and a clean heart and spirit which are not forever being plagued by our conscience because we have sought the wrong things in life.

I hope that each member of this graduating class will take time to consider those things which bring lasting joy and then use them to develop the pattern of his or her life. In this way I am confident that each of you will experience the real joy of life which you are seeking and which I hope each of you will achieve.

With these thoughts I offer my congratulations and best wishes to the class of 1965.

# Class History

As we, the Class of 1965, look back on the years we have spent in South Brunswick High School, many memorable experiences are recalled.

In the Eighth Grade we entered SBHS for the first time, in awe of our strange new surroundings, and the seemingly all-knowing, all-powerful upperclassmen.

As Freshmen, we were now able to look at the seventh and eighth graders disdainfully and comment on the need for their exclusion from the human race.

As mature, sophisticated Sophomores, we elected officers, and began to acquire unity among the members of our class. We realized that acting as one body we could achieve many worthwhile goals.

"Evening in Paris," the theme of our Junior Prom, grew from a rough floor plan sketch, to become the most beautiful, successful prom to be held at S.B.H.S.

Our Senior Year represents the culmination of five wonderful years in this school. "Harvey," the Senior play, Hootenanny '65, our Senior Trip, Senior Banquet, and finally Graduation, have brought happiness to each and every one of us, and perhaps a feeling of sadness, for as we receive our diplomas, we will be free to go on to higher learning. The higher learning of which college constitutes such a small part -- the higher learning that teaches one to "let today embrace the future with longing and the past with remembrance."

# Dedication

"All you have to do is sell five hundred Viking Pillows." Under the capable guidance of Mr. Anthony Toto, our class Advisor, tasks like this seemed almost possible.

Mr. Toto has been more than an advisor to us during our Junior and Senior years; he had been a friend. His interest in us, and his faith has never wavered, and our problems have been his problems.

In our Junior year, Mr. Toto helped make "An Evening In Paris," our Junior Prom, a success. Without his able assistance we could never have undertaken the project of planning a prom.

In our Senior year, Mr. Toto again served as our Advisor. The success of our fund raising projects were due, largely to Mr. Toto's intransigent refusal to accept "NO" for an answer. Through all the traumatic experiences of our senior year, Mr. Toto's friendship remained constant.

To the boys on the football team, Mr. Toto, is synonomous with optimism and spirit. His excellent coaching enabled the team to achieve a 5-2-1 season last year, and a terrific 8-1 winning season this year.

Mr. Toto's concern for us as individuals, as well as a class, has endeared him to us. In all our associations he has continually greeted us with a friendly hello and a warm smile -- never a good-bye.

As a lasting tribute to Mr. Toto, we, the Senior Class of 1965, wish to dedicate VALHALLA '65 to him and we hope he will always remember it as a lasting hello; never a good-bye.

# Senior Chorus

The Senior Chorus, a group of 89 students directed by Mr. Albert Dorhout undertook a difficult task this year in performing Mozart's Mass in "B" which it presented to the high school at an assembly program and for the Christmas Concert. Schubert's Mass in "G" was performed for the Spring Concert. The Chorus presented a fall concert for the first time composed of lighter music with a Pops concert in the Spring.

The 22 chorale members performed with the chorus and Barbershop quartet, a new addition this year, in each concert to fill the Senior High vocal music Department.

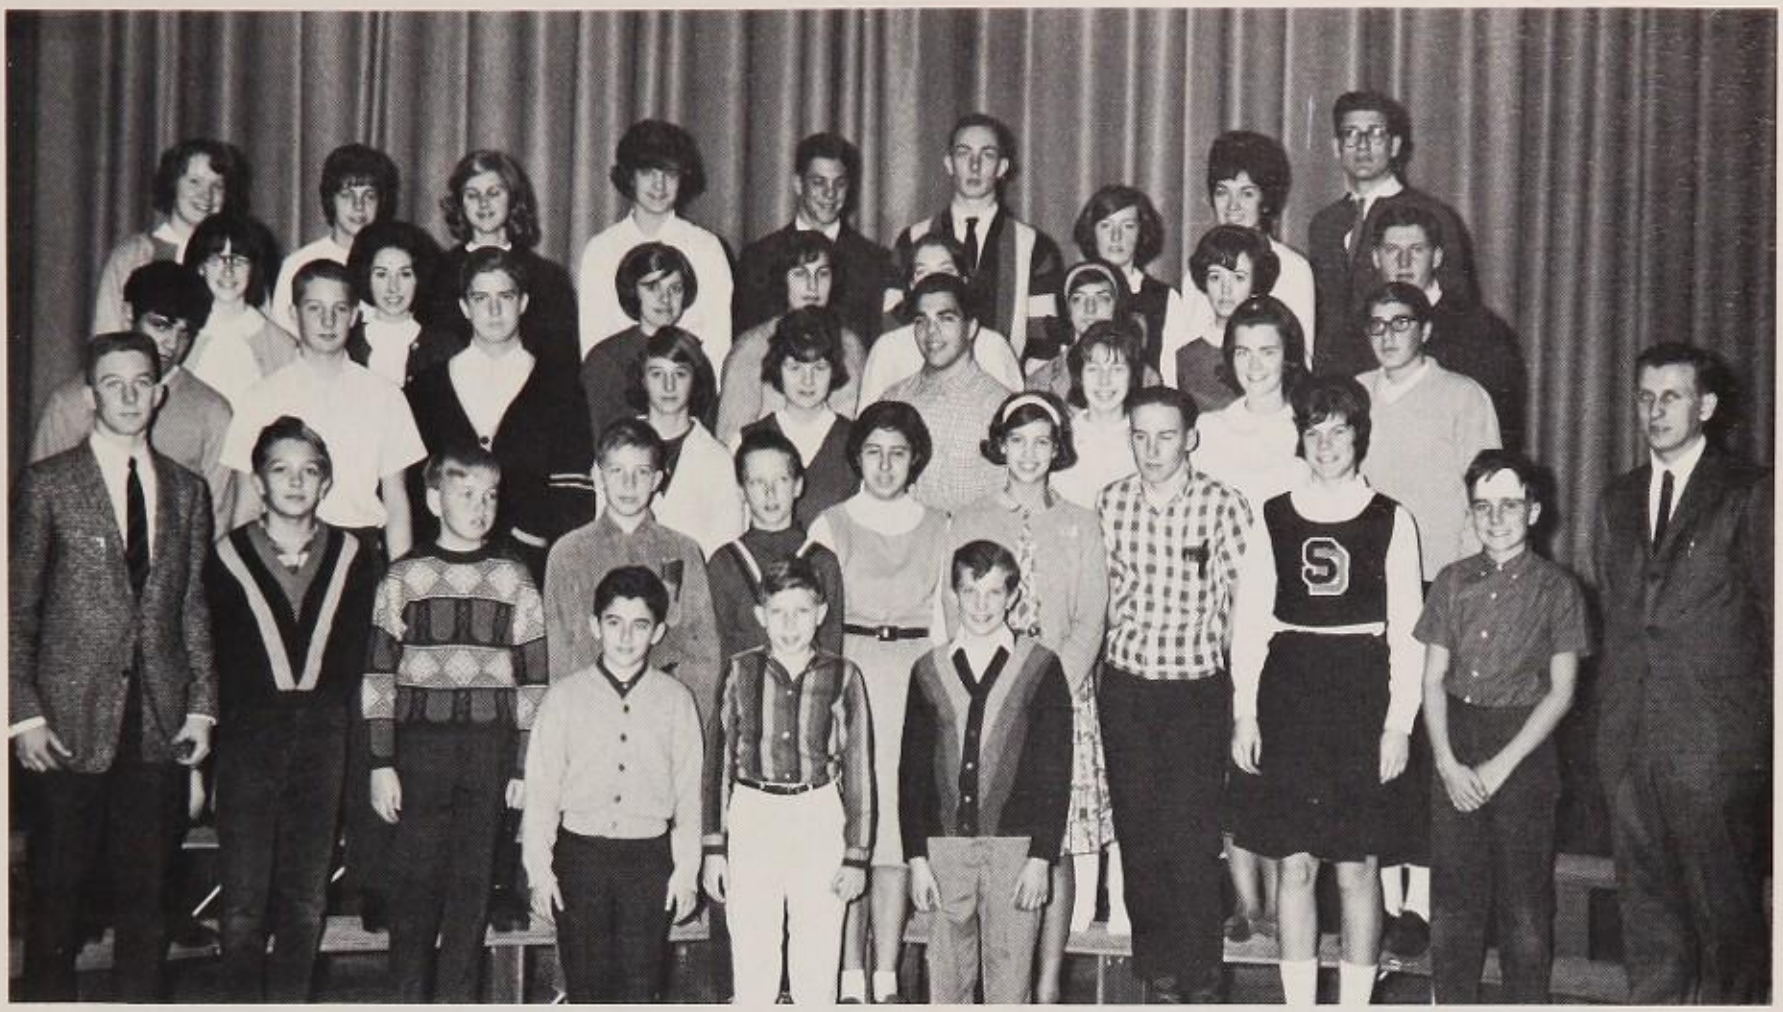
# Newspaper

The Viking Press, the monthly publication of S.B.H.S. has taken on a new light. As always the Viking Press stands out as one of the best representations of the student body. Besides reporting the news of the school the Viking Press has taken upon itself to form a Community Good Will Week. Their drive to sponsor the David Ronthaler Memorial Shelf Of American Studies was one of the staffs admirable accomplishments.

The success of the paper is due to the able moderating of Mrs. Janice Lehet and the leadership of Editor Dan Bibel.

# Student Council



A well-functioning administrative unit, the Student Council has gone far this year in fostering better student life.

Under the supervision of Monroe Sprague and Mr. Walter Sikorski better school spirit has become a major accomplishment. This goal has been fostered through organized activities comprising various clubs, student busses to away games, dances, pep rallies and Friday night bonfires.

These were all achieved through the student councils efforts. A sense of leadership, the right to voice one's opinions and mutual cooperation were a few of its accomplishments.

# The Band Plays On

The South Brunswick High School Band, under the supervision of Mr. Chauncey Chatten, has once again displayed a great development of the art of music. Their devotion to their work has proved beneficial. This devotion can be noted as the band performed with a certain perfection in South Pacific, and again in the 1965 Pop's Concert. A vote of thanks must be given to Mr. Chatten and all students in the band who have honored South Brunswick with their performances throughout the past year.

# Class of '65 Presents Harvey

HARVEY

by Mary Chase

If the laughter emanating from the audience during a comedy is indicative of the play, it must be assumed that the Senior Class rendition of Harvey was an unprecedented hit. The cast was an inexperienced one, but performed with historic skill and poise eclipsing all previous degrees of excellence achieved by Mr. Churchill Clark and his coterie of budding thespians. A note of gratitude and respect must be extended to Mr. Clark for his courage.
